Shinestop

Dermo-Purifying Cleanser

Dermopurifying cleanser.

**Indications**

Dermopurifying gel cleanser for mixed and oily skins, with a tendency towards impurities. Unisex formula for all ages, at any time of year. Avoid eye contact.

**Technology**

SALICYLIC ACID: avoids the formation of blackheads.
LIPACIDE C86®: inhibits the proliferation of germs during sebum accumulation.
PORTULACA EXTRACT: helps maintain a uniform skin complexion without alterations.

**Benefits**

Deep cleansing and correction of the oil excess.

**Results**

Clean and normalized skin.

**Content**

5 fl. oz.
RGnerín
Three Action Cleanser
Regenerating Exfoliator Peeling.

Indications
Exfoliating gel cleanser. Acid peeling for all skin types and ages, at any time of year. Unisex formula. Avoid eye contact.

Technology
GLYCOLIC ACID: regenerating exfoliant.
LACTIC ACID: hydrating exfoliant.
SALICYLIC ACID: superficial exfoliant.

Benefits
Exfoliating, repairing and regenerating shock treatment.

Results
Clean, soft and refined skin.

Content
5 fl. oz.
Goji Treatment
Antioxidant.

Indications
Antioxidant facial treatment. Unisex formula for all skin types and ages, at any time of year.

Tecnology
GOJI BERRY EXTRACT: antioxidant.
BEETS’ BETAINES: intelligent moisturizer.
HONEY: hydrating and regenerating properties.
AVOCADO OIL: vitaminic.
SHEA BUTTER: regenerating and protecting oil.

Benefits
This treatment has a high antioxidant power due to its concentration of Goji berry extract from Tibet (Lycium barbarum – organic ingredient certified by ECOCERT®) and is enriched with other natural ingredients.

Results
Prevents signs of ageing and reinforces the skin’s natural defense. Visibly improves the skin’s healthy appearance.

Mask
Contains GOJI berry extract and QUINOA seeds. The mixture of these components works in an antioxidant and toning way, fighting fatigued skin.
Hydro-Goji
Hydrating-antioxidant.

Indications
Light texture hydrating-antioxidant facial cream. Normal to mixed skin. Unisex formula for all ages, at any time of year. Face, neck and chest area.

Technology
GOJI BERRY EXTRACT: antioxidant. BEETS’BETAINES:intelligent moisturizer.

Benefits
Deep hydration. Prevents the signs of ageing and reinforces the skin’s natural defense.

Results
Healthy and ultra hydrated skin.

Content
1.7 fl. oz.
Nutri-Goji
Nourishing-antioxidant.

Indications
Nourishing-antioxidant facial cream. Normal to dry skin. Unisex formula for all ages, at any time of year. Face, neck and chest area.

Technology
GOJI BERRY EXTRACT: antioxidant. HONEY: hydrating and regenerating properties. AVOCADO OIL: vitaminic. SHEA BUTTER: nourishing oil for skin protection and regeneration.

Benefits
Lasting nutrition. Prevents the signs of ageing and reinforces the skin’s natural defense.

Results
Healthy and nourished skin.

Content
1.7 fl. oz.
Goji Complex
Intensive-antioxidant.

Indications
Facial shock treatment. Antioxidant serum for all skin types. Unisex formula for all ages, at any time of year. Face, neck and chest area.

Technology
GOJI BERRY EXTRACT: antioxidant. HONEY: hydrating and regenerating properties. BEETS’ BETAINES: intelligent hydration.

Benefits
Shock treatment that hydrates, promotes healthy skin, reduces the signs of ageing and strengthens the skin.

Results
Stronger skin.

Content
1.7 fl. oz.
PREMIUM QUALITY FACIAL ESSENTIALS

SKIN SENSATIONS

CASMARA

[Image of skin care products]
Skin Sensations Treatment
Revitalizing.

Indications

It is a complete facial treatment which provides all the essential elements for the proper functioning of the skin (water, minerals, vitamins, etc.). The high tech liberation of active ingredients (vitamins A C E and a mineral complex) makes this product comparable to treatments carried out in cosmetic medical clinics. Unisex formula for all ages, at any time of year.

Technology

1. MINERALS
TRACE AVENA PROTEIN COMPLEX®: this is an OAT protein complex the most precise and needed minerals and trace elements for the skin. Contains: Calcium (restoring), Magnesium (increases hydration), Manganese (antioxidant), Zinc (healing), Copper (regenerating), Iron (oxygenating) and Potassium (maintains hydration).
We are the first Dermo-cosmetic Laboratory in the world to incorporate this unique active ingredient in its products.
OLIGOGELINE®: A gentle mineralising effect: providing Calcium, Magnesium, Manganese, Zinc and Phosphorous.
EUK-134®: In this way it represents a very similar antioxidant system to our own.

2. VITAMINS
ELLAGI-C®: The antioxidant properties prevent oxidative stress and protects type VI collagen.
VITAZYME® ACE COMPLEX: this innovative form of presenting vitamins has been designed to increase the stability and bioavailability for the skin, ensuring absorption, retention and action.

3. WATER
AUREALIS®: it is able to increase the synthesis of hyaluronic acid by up to 44%.

4. NUTRIENT AND PROTECTIVE LIPIDS
NATURAL JEJU ORGANIC CAMELLIA OIL®: is a natural oil from Camellia Japonica with moisturising, anti-wrinkle and calming properties.
ARGAN OIL: this ecological oil from the Argan tree. Given the high content of Vit. E and polyunsaturated fats (omega 3 and 9) gives great elasticity to the skin and moisturises.

Benefits

Skin Sensations Treatment gives a revitalising boost that other cosmetic treatments cannot. In itself it is a true beauty cure.

Results

Revitalized skin.

Mask

Contains 24 karat Gold dust that nourishes and revitalises the skin as it induces the incorporation of mineral nutrients, at the same time it reduces cutaneous flaccidity and possesses antioxidant properties impeding the accumulation of free radicals as well as reinforcing the protective barrier of the skin protecting it from external aggressions. Magnesium, another active ingredient, able to latch on to water and improve the permeability of the epidermal barrier. Calcium modulator of the proliferation and differentiation of keratinocytes. Sodium together with potassium regulates water balance in the tissues.

PROFESSIONAL USE
Indications

This is a moisturising creamgel with a pleasant light texture. Its unisex formula is suitable for any time of year. Face, neck and chest area.

Technology

VITAMINE®ACE COMPLEX: Vitamin complex A,C,E.
NATURAL JEJU ORGANIC CAMELLIA OIL®: activates collagen synthesis.
TRACE AVENA PROTEIN COMPLEX®: OAT complex and 7 micro nutrients: Calcium (restoring), Magnesium (increases hydration), Manganese (antioxidant), Zinc (healing), Copper (regenerating), Iron (oxygenating) and Potassium (maintains hydration).

Benefits

Vitamin cocktail for a healthy skin balance.

Results

Hydrated and revitalized skin.

Content

1.7 fl. oz.
Skin Sensations Nutri Vitamins&Minerals
Nourishing-revitalizing.

Indications
It is a nourishing fluid emulsion with an enriched texture. Its unisex formula is suitable for any time of year. Face, neck and chest area.

Technology
VITAMINE®ACE COMPLEX: Vitamin complex A,C,E. AUREALIS®: hyaluronic acid synthesis. NATURAL JEJU ORGANIC CAMELLIA OIL®: activates collagen synthesis. TRACE AVENA PROTEIN COMPLEX®: OAT complex and 7 micro nutrients: Calcium (restoring), Magnesium (increases hydration), Manganese (antioxidant), Zinc (healing), Copper (regenerating), Iron (oxygenating) and Potassium (maintains hydration).

Benefits
Vitamin cocktail for a healthy skin balance.

Results
Nourished and revitalized skin.

Content
1.7 fl. oz.
Skin Sensations Complex  Vitamins&Minerals

Indications
A spectacular concentrated serum that thanks to the deep penetrating power makes it comparable to the injections at the cosmetic medical clinics. This exclusive technology can restore even the most impaired and devitalised skins. Its unisex formula is suitable for any time of year.

Technology
VITAMINE®ACE COMPLEX: Vitamin complex A,C,E.
FUCOGEL ®: moisturiser.
EUK-134®: derivate of madnese. Antioxidant.

Benefits
Shock treatment. Vitamin cocktail for a healthy skin balance.

Results
Revitalized skin.

Content
1.7 fl. oz.
Absolute Essential 1
Hydrating creamy gel for facial massage.

**Indications**

It is a creamy gel especially indicated to treat skins that tend to be oily, mixed or shiny. Unisex formula for all ages, at any time of year.

**Technology**

AQUA SHUTTLE®: long lasting 24h hydration. HYALURONIC ACID: powerful moisturizer.

**Benefits**

Improves hydration, elasticity and prevents the appearance of wrinkles.

**Results**

Hydrated skin.

**Content**

6.76 fl. oz.

PROFESSIONAL USE
Absolute Essential 2
Hydrating-nourishing facial massage cream.

Indications
Cream indicated for normal to dry skins. Unisex formula for all ages, at any time of year.

Technology
L-GLICINE and L-LISINE: hydrating ingredients.
VITAMIN F: protects the cellular membrane.

Benefits
Balanced cream for both hydration and nutrition.

Results
Hydrated and nourished skin.

Content
6.76 fl. oz.
Absolute Essential 3
Nourishing facial massage cream.

Indications
Ideal cream for dry, deeply undernourished skins. Unisex formula for all ages, at any time of year.

Technology
AVOCADO OIL: promotes elasticity.
VITAMIN F: protects the cellular membrane.

Benefits
The complexion acquires a firmness that tends to camouflage any small wrinkles.

Results
Nourished skin.

Content
6.76 fl. oz.

PROFESSIONAL USE
PREMIUM QUALITY FACIAL SPECIALISTS

INTENSIVE Q10

CASMARA
Intensive Q10 Treatment
Anti-aging energizer.

Indications
The intense nourishing power of the treatment makes it especially recommended for dry, tired skins and generally for skins in need of repair, requiring an energy boost. Unisex formula that can be applied throughout the year.

Technology
X-PRESSIN®, a stabilized enzyme from Papaya that has the quality to dissolve certain proteins, enhancing the removal of dead skin cells. The result is a lightened and clear complexion. This step also favors the absorption of the following phases. The enzyme is formulated within a base with anti-irritant and soothing properties.
VITAMIN C and AMINO ACIDS stimulates the collagen formation and provides amino acids as precursors of this protein.
COENZYME Q-10 and CREATINE, essential for their energetic and antioxidant properties. MARINE COLLAGEN Incorporates a high content of hydrating.
REDUCTINE®, a mixture of oat proteins and polysaccharides with visible effects on the skin: it maintains the moisture balance, smoothes the skin surface and provides the necessary nutrients for cell regeneration.
HYALURONIC ACID increases hydration of the skin and forms a film over the skin’s surface to avoid water loss.
ORGANIC SILICON and VITAMIN C to improve skin firmness.
AVOCADO OIL and SQUALENE provide nutrition thanks to their lipids and vitamins.

Benefits
Is a treatment of intense nutrition, prepared with two fundamental bio-energetic ingredients, COENZYME Q-10 and CREATINE, which provide the skin with the necessary energy for its revival and repair. A perfect synergy that results in a true skin awakening.
Results

A unique sensation of pure nutrition. The skin feels full of energy, firm and more elastic. It recovers luminosity and radiance. It gains a healthy, hydrated and younger look. The skin’s natural protective barrier against external aggressive agents is strengthened and protected.

Mask

This is a seaweed-based mask with carbohydrates that have the capacity to set and form a plastic film that creates a certain pressure on the area of application, to enhance penetration of the ingredients applied earlier and of the ingredients in the mask itself. Enriched with VITAMIN C and DILL, both of which provide great luminosity and help to increase collagen synthesis.

PROFESSIONAL USE
Intensive Q10 Hydro 24h
Hydrating-Anti-aging energizer.

Indications

The smooth, light-textured Intensive Q10 Hydro 24h is recommended for normal, combination or tired skins and in general for any skin that requires a moisturizing and energetic stimulation, in order to restore its youthful radiance. Unisex formula that can be applied throughout the year.

Technology

MARINE COLLAGEN: moisturizer which stimulates the formation of a skin protective layer.
VITAMIN C: essential for the stimulation and formation of collagen. It has a high antioxidant power by neutralizing free radical attacks.
REDUCTINE®: a mixture of oat proteins and polysaccharides with visible effects on the skin: it maintains the moisture balance, smoothes the skin surface and provides the necessary nutrients for cell regeneration.
HYALURONIC ACID: obtained by biotechnology, increases hydration of the skin and forms a film over the skin surface to avoid water loss.
COENZYMES Q-10 and CREATINE: act together in order to create a highly energizing cosmetic. This energy is used as fuel for all cellular processes.

Benefits

Energizing and deeply moisturizing cream that revives and protects the skin, creating a feeling of well-being.

Results

Intense awakening within your skin.

Indications

50 ml.
Intensive Q10 Nutri
Nourishing-Anti-aging energizer.

Indications

The rich-textured Intensive Q10 Nutri is recommended for dry and tired skins that require an extra supply of nutrition and energy to achieve an immediate revival of skin tone, texture and luminosity. Unisex formula that can be applied throughout the year.

Technology

VITAMIN C: essential for the stimulation and formation of collagen. It has a high antioxidant power by neutralizing free radical attacks.
ORGANIC SILICON: increases skin smoothness and firmness. Along with Vitamin C, it is the most important ingredient to maintain the protein network that nourishes the epidermis.
AVOCADO OIL and SQUALENE: provide nutrition thanks to their lipids and vitamins.
COENZYME Q-10 and CREATINE: act together in order to create a highly energizing cosmetic. This energy is used as fuel for all cellular processes.

Benefits

Exquisite sensation of nutrition combined with a repairing action, ideal to provide an exceptional feeling of comfort.

Results

Intense awakening within your skin.

Content

1.7 fl. oz.
Intensive Q10 Complex
Intensive-Anti-aging energizer.

Indications
Fluid emulsion recommended for all skin types that require a repairing and energizing stimulus, restoring the skin’s strength and splendor. Unisex formula that can be applied throughout the year.

Technology
MARINE COLLAGEN: moisturizer which stimulates the formation of a skin protective layer.
VITAMIN C: essential for the stimulation and formation of collagen. It has a high antioxidant power by neutralizing free radical attacks.
REDUCTINE®: a mixture of oat proteins and polysaccharides with visible effects on the skin, it maintains the moisture balance, smoothes the skin surface and provides the necessary nutrients for cell regeneration.
HYALURONIC ACID: obtained by biotechnology increases hydration of the skin and forms a film over the skin surface to avoid water loss.
COENZYME Q-10 and CREATINE: act together in order to create a highly energizing cosmetic. This energy is used as fuel for all cellular processes.

Benefits
Extraordinary light emulsion that provides an intense dose of hydration and energy.

Results
Intense awakening within your skin.

Content
1.7 fl. oz.
PREMIUM QUALITY FACIAL
SPECIALISTS
RGNERÍN

CASMARA
**Indications**

Regenerating facial treatment and inhibitor of repetitive facial movements. Indicated for all skin types. Unisex formula for all ages, at any time of year.

**Technology**

ARGIRELINE®: inhibits repetitive facial movements.
STRUCTURINE®: restores the skin’s protective barrier.
COHESINE®: improves the cohesion between the cells.
RECOVERINE®: regenerates and balances the skin.
LINSEED (organically grown): soothing, emollient and softening properties.
ALOE VERA (organically grown): soothing, toning and regenerating action.

**Benefits**

Prolongs the effects of clinical contracture inhibitor treatments and inhibits repetitive facial movements. Regenerates the skin.

**Results**

Regenerated skin with visibly diminished wrinkles.

**Mask**

Contains linseed and aloe that boost cellular dynamism and regenerate the cells. They also provide a soothing effect. Both the linseed and aloe contained in this mask are organically produced by what experts call biodynamic agriculture.

PROFESSIONAL USE
RGnerín
Hydro-Texture Cream
Hydrating-Regenerating.

Indications

Light texture hydrating-regenerating facial cream. For normal to mixed skin, or oily dehydrated skin. Unisex formula for all ages, at any time of year. Face and neck.

Technology

ARGIRELINE®: inhibits repetitive facial movements.
RECOVERINE®: regenerates and restores the skin balance.

Benefits

Optimal hydration, repair of the damaged tissue, skin rejuvenation, gradual polishing of the skin surface and removal of small wrinkles.

Results

Hydrated and regenerated skin.

Indications

1.7 fl. oz.
RGnerín
Plus Texture Cream
Nourishing-regenerating.

Indications
Nourishing-regenerating facial cream. Dry and extra-dry skins. Unisex formula for all ages, at any time of year. Face, neck and chest area.

Technology
ARGIRELINE®: inhibits repetitive facial movements.
RECOVERINE®: regenerates and restores the skin balance.

Benefits
Maintains the skin’s moisture balance. Repairs the damaged tissue. Stimulates skin rejuvenation. Fine wrinkles disappear.

Results
Regenerated and nourished skin.

Content
1.7 fl. oz.
RGnerín Enzyme
Intensive-regenerating.

Indications

Technology
ARGIRELINE®: inhibits repetitive facial movements. RECOVERINE®: regenerates and restores the skin balance. HORSETAIL EXTRACT: supplies silicon to improve the firmness of the skin. LACTOFERRIN ENZYME: prevents the proliferation of micro-organisms.

Benefits
Shock treatment for cell regeneration and renewal.

Results
Deeply regenerated skin.

Content
1.7 fl. oz.
ElixirCell
Rejuvenating.

Indications
Rejuvenating facial treatment. Unisex formula for all ages, at any time of year. Especially indicated for skins with signs of flaccidity, wrinkles and lack of elasticity.

Technology
RIBOXYL®: activates cellular respiration.
CREATINE®: boosts the cell energy metabolism.
METABIOTICSTM RESVERATROL: acts on the molecular mechanisms related with cellular longevity.
E-MORTAL®: activates and revitalises the skin’s stem cells to restore cellular functionality and equilibrium.
CHONDRICARE®: adjusts itself to the skin’s needs throughout the day.
KENDI OIL: supplier of fatty acids.
MACADAMIA OIL: emollient.
SHEA BUTTER: regenerating protecting oil.
COLLAGENEER®: wrinkle filler.
PHYTROGEN®: (phyto-estrogens) diminishes signs of ageing, normalizes pigmentation and helps to redefine the face contour.

Benefits
Prevents and combats the first signs of ageing, and improves visible skin damage.
Results

The skin is deeply strengthened. The treatment quickly and visibly corrects ageing in an autonomous way.

Mask

Apply the appropriate mask according to the client’s skin.
The BI-PHASE mask is especially indicated for mature skins with dryness symptoms and wrinkles. The eye mask contains anthocyanosides from Vaccinium myrtillus with decongestant, vasoprotective and anti-oxidant properties. The mask for face and neck contains dehydrated Soy seeds (Glycine max): isoflavons, proteins, phospholipids, sterols, enzymes and vitamins with a regenerating activity.
Hydro-ElixirCell
Hydrating-rejuvenating.

Indications
Due to its special fluid and light texture, it is especially recommended for normal, mixed and dehydrated skins or as a day cream for all skin types. Unisex formula for all ages, at any time of year.

Technology
CHONDRICARE®: adjusts itself to the skin’s needs throughout the day.
E-MORTAL®: activates and revitalises the skin’s stem cells to restore cellular functionality and equilibrium.
BETAFIN BP20®: intelligent moisturizer.

Benefits
Light texture self-rejuvenating cream.
Moisturizer with a delightful texture due to a new and exotic oil from Indonesia: KENDI OIL.

Results
Visibly younger skin.

Contents
1.7 fl. oz.
Nutri-ElixirCell
Nourishing-rejuvenating.

Indications
Due to its delightful rich texture, it is especially recommended for normal, dry and undernourished skins or as a night cream for normal skins. Unisex formula for all ages, at any time of year.

Technology
CHONDRICARE®: adjusts itself to the skin’s needs throughout the day.
COLLAGENEER®: wrinkle filler.
PHYTROGEN®: (phyto-estrogens) diminishes signs of ageing, normalizes pigmentation and helps to redefine the facial contour.

Benefits
Nourishing self-rejuvenating cream based on rich oils that contain “Polyunsaturated Fatty Acids” widely known for their skin protecting properties.

Results
Visibly younger skin.

Content
1.7 fl. oz.
ElixirCell Complex

Intensive-rejuvenating.

**Indications**

Self-rejuvenating shock treatment serum. Due to the correct combination and concentration of the latest active ingredients, this intensive serum gives your skin a global tool for fighting any signs of ageing. Unisex formula for all ages, at any time of year.

**Technology**

-CREATINE®: boosts the cell energy metabolism.
-METABIOTIC® RESVERATROL: acts on the molecular mechanisms related with cellular longevity.
-E-MORTAL®: activates and revitalises the skin’s stem cells to restore cellular functionality and equilibrium.

**Benefits**

Rejuvenating shock treatment. Due to its correct combination and concentration of the latest actives in cosmetics, this intensive serum helps the skin fight against any signs of ageing.

**Results**

Visibly younger skin.

SHINESTOP

CASMARA

55
Shinestop Selective
Dermopurifying Treatment

Dermopurifying Seborregulator.

Indications

Dermopurifying facial treatment that targets the oily areas of the skin in a selective way. Indicated for combination and oily skins. Unisex formula for all ages, at any time of year. Especially suitable for the selective treatment of skins that show an anti-aesthetic aspect caused by excess sebum: thick skins, dilated pores, blackheads, keratosis, excess shine, etc.

Technology

LIPACIDE C8G®: inhibits the proliferation of germs during sebum accumulation.
PORTULACA EXTRACT: helps maintain a uniform skin complexion without alterations.
BETA HYDROXYDE ACSD®: antiseptic.
AZELOSOLE®: prevents possible plug-formation in the hair follicles.
MARINE AFFINISPHERE®: intelligently regulates the sebum secretion.
AMIPORINE®: hydrates the skin.
AQUA SHUTTLE®: long lasting 24h hydration.

Benefits

Its action ranges from the normalization and treatment of skins with mild tendency toward excessive oil production, to the correction of more severe conditions, inhibiting the formation of blackheads and papules, also avoiding the proliferation of germs and the development of seborrheic processes.

Results

Mattified and hydrated skin.
Mask

The mask absorbs impurities and waste substances set free as a result of the functioning of the cells. It has a firming and stimulating effect on the muscles due to the spectacular release of cold.

PROFESSIONAL USE
Shinestop Hydramatt Cream
Hydrating-mattifying.

**Indications**
Light texture hydro-mattifying facial cream. Oily, mixed or shiny skins. Unisex formula for all ages, at any time of year.

**Technology**
MARINE AFFINISPHERE®: intelligently regulates the sebum secretion.
AMIPORINE®: hydrates the skin.
AQUA SHUTTLE®: lasting hydration.

**Benefits**
Combination of hydrating ingredients with both immediate and progressive action.

**Results**
Hydrated and normalized skin.

**Content**
1.7 fl. oz.
Shinestop
Selective Oil
Balance
Sebo-normalizing.

Indications
Sebo-normalizing facial gel. For oily, mixed and acne skins. Unisex formula for all ages, at any time of year. Beauty tip: apply after shaving or depilation for skins with a tendency towards folliculitis.

Technology
AZELOSOLE®: prevents possible plug-formation in the hair follicles. MARINE AFFINISPHERE®: intelligently regulates the sebum secretion.

Benefits
Intelligently regulates and normalizes the oily secretion.

Results
Regulated and normalized skin.

Content
1.7 fl. oz.
Shinestop Control Age Matt Cream
Mattifying anti-aging.

Indications

Rejuvenating facial cream. Mixed or shiny skins, especially mature and dehydrated skins. Unisex formula for all ages, at any time of year.

Technology

MARINE AFFINISPHERE®: intelligently regulates the sebum secretion.
REDUCTINE®: hydrates and polishes the skin’s surface.
HYALURONIC ACID: powerful moisturizer.
DELINER®: diminishes the depth and number of wrinkles.
OXYGEN: contributes to a young and healthy look.

Benefits

Increases hydration and elasticity and diminishes the appearance of wrinkles.

Results

Youthful normalized skin.

Content

1.7 fl. oz.
Nácar Professional Treatment
Lightening.

Indications
Clarifying and lightening facial treatment. A unisex treatment for any skin type and age. Suitable for illuminating and unifying skin colour. It is therefore recommended for skin which has diffuse or localised marks or to generally lighten the skin tone. Use carefully during the summer period.

Technology
ARLATONE DIOIC DCA®: lightening dioecious acid.
TAGRANAT LICORICE1®: illuminating microcapsules.
BELIDES®: lightening flower extract.
MELANOSTATINE®: first lightening peptide.
WHITONYL®: lightening seaweed extract.
BIOWHITE®: mixture of lightening plants.
AA2G®: regenerating ingredient.
AQUALANCE®: powerful 24h moisturizer.
PHYTOSAN®: repairs and protects the cells from radiation.

Benefits
Luminous even-toned skin showing less pigment alterations.

Results
Radiant, uniform, youthful skin with a ‘pearl-like’ glow.
Peel-off mask based on algae derivatives strengthened with the first ever lightening peptide: Nanopeptide 1, MELANOSTATINE® which interferes with the initial stage of the production of melanin. It inhibits the mechanism by which melanin is formed and therefore reduces excessive pigmentation. As a re-mineralising complement, it includes brown rice flour which retains all of its vitamins, minerals and fibre.
Clarifying Concentrate
Lightening Activator Cream.

Indications
Facial shock concentrate. All skin types.
Unisex formula for all ages, at any time of
year. Avoid the eye area. Use carefully during
the summer period. It is recommended for
skin which has diffuse or localised marks or to
generally lighten the skin tone.

Technology
ARLATONE DIOIC DCA®: lightening
dioecious acid.
TAGRANAT LICORICE1®: illuminating
microcapsules.
BELIDES®: lightening flower extract.

Benefits
Clarifying, lightening, anti-wrinkle effect.

Results
Radiant and youthful skin with a ‘pearl-like’
glow.

Content
1.7 fl. oz.
Light Complex
Lightening Clarifying Regenerator Serum.

Indications
Facial shock serum. All skin types. Unisex formula for all ages, at any time of year. It is recommended for skin which has diffuse or localised marks or to generally lighten the skin tone.

Technology
MELANOSTATINE®: first lightening peptide.
WHITONYL®: lightening seaweed extract.
BIOWHITE®: mixture of lightening plants.
AA2G®: regenerating ingredient.
AQUALANCE®: powerful 24h moisturizer.

Benefits
Clarifying, regenerating, lightening and hydrating effect.

Results
Uniform skin with a ‘pearl-like’ glow.

Content
1.7 fl. oz.
D&A RESTORER SPF: 50
Anti-wrinkles repair&protect with SPF 50.

Indications
Extraordinary emulsion: improves the appearance of wrinkles and protects the skin from the harmful effects of the sun's rays. It also stimulates the production of proteins, including collagen. Unisex formula for all ages, at any time of year. It is especially recommended for skins with diffuse or localised marks.

Technology
PHYTOSAN®: repairs and protects the cells from radiation.
SPF50

Benefits
Improves the appearance of wrinkles and protects the skin from radiation.

Results
Bright, youthful skin that is protected throughout the day.

Content
1.7 fl. oz.
Nature Ampoules Equilibrium
Hydrating.

**Indications**
Oily, flaky skins with acne. Oil-free. Unisex formula for all ages, at any time of year.

**Technology**
AMINO ACIDS and HYDROLYZED COLLAGEN: hydrating effect. MALLOW EXTRACT: hydration and elasticity.

**Benefits**
Restores the skin’s elasticity and softness; balances its general condition.

**Results**
Balanced, soft and hydrated skin.

**Content**
0.14 fl.oz, 5 ampoules
Nature Ampoules Energetic
Nourishing.

Indications
Mature, fatigued or wrinkled skins. Unisex formula for all ages throughout the year.

Technology
WHEAT EXTRACT: stimulates the natural process of skin tissue reconstruction.
OAT PROTEINS: regenerating and repairing action.

Benefits
Activates the cellular energetic metabolism.

Results
Regenerated skin.

Content
0.14 fl.oz, 5 ampoules
Nature Ampoules Elastin
Anti-wrinkle.

**Indications**

Indicated to treat premature ageing of the skin, wrinkles and loss of elasticity. Unisex formula for all ages, at any time of year.

**Technology**

MALLOWS EXTRACT: supplies vitamins A, C and E.
VITAMIN A: regulates the normal skin development.
VITAMIN C: preserves the tissues’ elasticity.
VITAMIN E: antioxidant.

**Benefits**

Supplies the essential amino acids to achieve greater skin firmness and elasticity.

**Results**

More elastic and firm skin.

**Content**

0.14 fl.oz, 5 ampoules
Nature Ampoules Repair

Repairing.

Indications

For skins that need a deep repairing action. Very suitable after abrasive peelings. Unisex formula for all ages, at any time of year.

Technology

WHEAT EXTRACT: stimulates the natural process of skin tissue reconstruction.
LUPIN PEPTIDS: repairs the extra-cellular matrix.
ALGAE EXTRACT: enhances the skin’s protein network.

Benefits

Shock cosmetic with a repairing action.

Results

Deeply repaired skin.

Content

0.14 fl.oz, 5 ampoules
Nature Ampoules Stabilizer
Soothing.

Indications
Soothing and dereddening. Particularly suitable for sensitive, delicate, easily irritated and red skins, with tendency toward couperose. Due to its properties, it is also recommended for reddened or slightly irritated skin and at the end of an anti-seborrheic treatment, thanks to its totally oil-free composition.

Technology
LICORICE: anti-irritant and emollient.
ALLANTOIN: helps soothe skin irritation.
OAT MILK: anti-inflammatory, vitaminic and stimulating effects.

Benefits
Calms down skin congestion and redness.

Results
Calm and dereddened skin.

Content
0.14 fl.oz, 5 ampoules
Nature Ampoules  Hidrix
Hydrating.

Indicaciones
Ampolla hidratante. Indicada para pieles secas deshidratadas. Fórmula unisex, para cualquier edad y periodo del año.

Tecnología
MINERALES y AMINOÁCIDOS: protegen la epidermis, hidratándola y equilibrando su metabolismo.

Beneficios
Se obtiene un efecto hidratante duradero.

Resultados
Piel hidratada.

Capacidad
0.14 fl.oz, 5 ampoules
Hyal Complex
Intensive Hydrating.

Indications
All skin types. Very useful after peelings and for men as an after-shave treatment to prevent dehydration. Unisex formula for all ages, at any time of year. Can be used as a base to apply make-up afterwards.

Technology
EPIDERMOSIL®: moisturizer with an effect similar to “retinol”.
BASHYAL®: deep moisturizer.
BETAGEL®: hydrating gel.

Benefits
Deep hydration. Improves the general skin condition, increasing the skin’s elasticity and filling small wrinkles.

Results
Deeply hydrated skin.

Contents
0.14 fl.oz, 5 ampoules
Hydro-TenseLift
Reaffirming.

Indications

Light texture firming and rejuvenating cream.
Unisex formula for all ages, at any time of year. Neck and breast area.

Technology

PHYTROGEN®: (phyto-estrogens) firms and increases the elasticity of the breasts.
RIGIN®: redefines the facial contour and firms the skin in the neck area.
ORSIRTINE®: prevents signs of ageing.
BIODYNES EMPP®: improves the general elasticity of the area.
BETAFIN BP20®: hydrates.
RETINYL PALMITATE®: maintains a healthy skin condition. Stimulates cell renewal.

Benefits

Shock treatment with firming, anti-wrinkle and hydrating effects for a more defined facial outline, and firmer skin in the neck area.

Results

Firm, elastic and hydrated skin.

Content

1.7 fl. oz.
Eye Perfect
Anti-wrinkle.

Indications
Cream indicated for the treatment of the eye contour. Unisex formula for all ages, at any time of year. Useful tip: keep the product in the refrigerator for a more efficient soothing effect.

Technology
ARGIRELINE®: inhibits repetitive facial movements.
ORSIRTINE®: stimulates the prevention of ageing.
COLLAGENEER®: wrinkle filler.
EYESERIL®: decongestant effect. Enhances firmness and elasticity.

Benefits
Diminishes wrinkles, firms, increases elasticity, improves puffiness and lightens dark circles. Nourishing effect.

Results
Shock treatment. Firm, elastic and nourished skin. Eye bags and dark circles are improved.

Content
0.5 fl. oz.
Eye Correct

Bags and dark circles.

Indications

Gel indicated for the treatment of the eye contour. Unisex formula for all ages, at any time of year. Useful tip: keep the product in the refrigerator for a more efficient soothing effect.

Technology

BASHYAL®: restores the skin’s elasticity, fills small wrinkles and deeply hydrates the skin.
EYELISS®: decongestant effect.
ARGIRELINE®: inhibits repetitive facial movements.

Benefits

Improves the general aspect of the eye contour.

Results

Hydrated skin. Eye bags, dark circles and small wrinkles are improved.

Content

0.5 fl. oz.
Sebocontrol
Sebo-regulator.

Indications
A gel solution to dry and clear up local spots. All skin types with a tendency towards occasional spots. Unisex formula for all ages, at any time of year. Useful for post-acne skins and for men with a tendency to develop folliculitis after shaving.

Technology
SHIELD BACT PEPTIDE®: neutralises substances produced by acne bacteria.
MARINE AFFINISPHERE®: selectively regulates oily secretions.
AZELOSOME®: prevents hyperkeratinisation and blocked hair follicles.

Benefits
Antiseptic properties and regulation of the oily secretions.

Results
Skin free of local imperfections.

Content
0.34 fl. oz.
Nanogel Meso Treatment
Hydrating conductive gel.

Indications
This gel has been designed with nanotechnology to guarantee the full absorption of the active ingredients by means of cosmetic equipment.

Technology
AQUA SHUTTLE®: long lasting 24h hydration. HYALURONIC ACID: powerful moisturizer.

Benefits
Its structure of subcutaneous micro-dispersion allows the nano-ingredients plus the ingredients previously applied to penetrate much deeper for a spectacular effect.

Results
Immediate hydration.

Content
16.9 fl. oz.

BODY MASKS

PREMIUM QUALITY PROFESSIONAL
BODY TREATMENT

CASMARA®
PRESTIGE
Cryogenic Firming Mask
Reaffirming.

Indications

The Cryogenic Firming Mask (cold effect) is recommended in all body treatments when a firming, toning, decongestive action is required: firming breast treatment, tired and heavy legs treatment, etc. Do not apply the cryogenic mask on the face.

Technology

Combination of SPECIFIC MARINE ELEMENTS.

Benefits

Firming effects that enhance the treatment of flaccid cellulite. Toning and moisturising effects, due to its moisturizer content. Provides minerals, proteins and vitamins, improving the skin condition. Relieving and relaxing effects. Especially indicated for tired and heavy legs, oedematous areas, etc.

Results

A feeling of relaxation and comfort in the areas where it is applied.

Content

4 Sessions.

PROFESSIONAL USE
Thermoactive Mask
Anti-cellulite.

Indications
The Thermoactive Mask is recommended to activate the absorption of cosmetic ingredients applied during body treatments. The mask complements and enhances the action of the treatment.
Do not apply the Thermoactive mask over face and neck.
Do not apply the Thermoactive Mask on the breasts.

Technology
SPECIFIC MARINE ELEMENTS.
CAPSICUM RESIN.

Benefits
Anti-cellulite effects due to its iodine content: improves the blood circulation, enhances draining and activates the basal metabolism.
Stimulating effects to improve the local blood circulation and the absorption of active substances applied over the skin.
Moisturising effects, due to its moisturizer content.
Provides minerals, proteins and vitamins, improving the skin condition.

Results
Activated skin.

Content
4 Sessions.

PROFESSIONAL USE
Pure Oxygen 01
Hydrating.

Indications
It is an oxygenating and moisturising cream based on hyaluronic acid and a sugar compound coming from corn.

Technology
RIBOXYL®: stimulates cellular respiration. BASHYAL® (Hyaluronic acid). Wrinkle filler.

Benefits
Direct cellular oxygenation. Increases the cells energy. Rejuvenating.

Results
Nourished and hydrated skin. Healthy young look. The skin recovers its energy, luminosity and vitality.

Content
1.7 fl. oz
Pure Oxygen 02
Nourishing.

Indications

This product is an oxygenating cream that without leaving to one side hydration stands out for meeting the skin's nutritional needs, based on directly supplying the skin with oxygen, natural macadamia nut oil, jojoba and hyaluronic acid.

Technology

CERASOME OXYGEN®: stimulates cellular respiration.
BASHYAL® (Hyaluronic acid). Wrinkle filler.
MACADAMIA and JOJOBA: nutritive properties.

Benefits

Direct cellular oxygenation.
Increases the cell's energy.
Rejuvenating.

Results

Healthy young look.
The skin recovers its energy, luminosity and vitality.

Content

1.7 fl. oz
Indications

This product is an “oil-free” hydrating serum which supplies the skin with pure oxygen. It provides cellular oxygenation in two ways, directly supplying pure oxygen to the cells and stimulating the cells’ own respiration.

Technology

CERASOME OXYGEN®: stimulates cellular respiration.
RIBOXYL®: stimulates cellular respiration.
BETAFIN BP-20®: natural moisturise.

Benefits

Direct cellular oxygenation.
Increases the cells energy.
Rejuvenating.

Results

Healthy young look.
The skin recovers its energy, luminosity and vitality.

Content
